

Tablet Stand 360

Model: TAC-100

Tablet Stand 360, is an amazing stand designed to be sleek functional. Personalized to the tablet market, this product is ideal for any Apple iPad, tablets, tablet PCs, eBook readers. Featuring 7 different adjustable viewing angles and a 360 degree rotating platform, this is the best way to browse, read or play with an iPad.

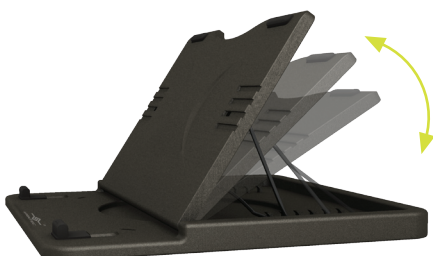

Fits all

Compatible with all shapes and sizes -- the Tablet Stand 360 will carefully hold your device without any worries. Rubber holders are placed at key points on the stand to ensure a scratch-free and secure hold on your device whether it is an iPad, Tablet, Tablet PC or even an eBook Reader.

Rotating Base

360 degree -- fully rotatable base allows you to view your iPad conveniently from any corner of the table. Anti-slip rubber feet on the base assure a proper grip on the table while swiveling the stand around share your favorite picture or website.

Adjustable Viewing Angles

Adjustable to 7 different viewing angles -- ensures that you are able to view your content at the most comfortable perspective. The anti-slip, scratch-free rubber pads will hold your iPad firmly to ensure a perfect viewing angle every time.
