**Figure 4. Connectors (Side)**

- **MIC (1) IN**: Connect to a microphone (Mono left channel)
- **MIC (2) IN**: Connect to a microphone (Mono right channel)
1. Verify the package contents.

2. Connect the USB 2.0 cable to the audio adapter and the computer.

3. Install the necessary software from the driver CD provided. (Please execute the "SETUP.EXE" file located in the NBA-200U folder on the driver CD.)

4. Follow the on-screen instructions to complete the software installation.

5. Restart your system.

6. The audio adapter is now ready for use.
