

# NexStar 2

EXTERNAL 5.25" HARD DRIVE ENCLOSURE

## PRODUCT DESCRIPTION

With the Vantec NexStar 2 External 5.25" Enclosure, you can easily add any 5.25" IDE Device to your existing system. The NexStar 2 connects to your computer through USB 2.0, offering speeds up to 480Mbps and eliminating the need to open your system! The NexStar 2 is perfect for anyone looking to add any 5.25" device, such as a DVD burner, to a notebook or desktop computer. Because you don't have to open your computer, you don't have to worry about voiding your existing warranty or dealing with messy wires. The integrated fan also keeps your device cool and operating at optimum conditions. The NexStar 2 External 5.25" Enclosure is the smart way to upgrade your computer.
